On the 27th of October we will be participating in Nude Food Day. In Sustainability we have discovered that, on average, the grades in our school bring 36 pieces of unrecyclable rubbish to school every day. Over a week, this works out to be 180 pieces of landfill. For a school with 12 grades, this is over 2000 pieces of unrecyclable rubbish going to landfill every week from just one school. This equates to over 85,000 pieces of rubbish in the school year going to landfill where it will be trapped in cells, never to break down.

Why not search the web for some helpful hints and recipes for putting together a rubbish free lunch for your children? Try this website

It’s really not that hard and will make an enormous difference to the amount of waste going to landfill every year.
From the Principal...

Thought for the week:

“Around here, we don’t look backwards for very long... we keep moving forward, opening new doors and doing new things because we’re curious... and curiosity keeps leading us down new paths”

Walt Disney

Boot scootin’ bush dancing! What a fantastic night. So great to see so many members of our community gather together, dressed in varying forms of bush dancing costume, to while away the hours with their families and each other. Students performed a variety of bush dances they had learnt during physical education and we were also visited by a very friendly emu! Once again, we were brought to tears by our Grade 6 students. Seeing the culmination of an in-depth thought process and some artistic and creative work being brought to life on stage was incredibly moving. The masks were simply outstanding, upstaged only by the stunning words each student had written to describe their mask; really, they were describing themselves and their inner feelings. They teach us every day!

The official launch of KidsMatter at our school was also an important part of the night. This is the beginning of a process that will embed student mental health and wellbeing into our school’s everyday practice and values and it is a journey that includes the whole school community. Families and friends were welcomed at the door of Discovery Church by members of the student and staff KidsMatter Action Teams who offered showbags, a KidsMatter flyer and a special pink and yellow ribbon to wear, signifying their inclusion in the our school’s KidsMatter journey. An enormous ‘thank you’ to Deb who, despite being very unwell, put together 400 ribbons for us and made the beautiful, hand crafter banner that was displayed over head in the foyer. Thanks so much Deb – your efforts are appreciated by us all. Component 1 of KidsMatter focusses on developing a Positive School Community, and the Bush Dance was a terrific way to continue to develop that strength at The Patch School. We are off to a flying start!

We have experienced a huge amount of sickness this term throughout the school. Please use this break to rest, recover and re-charge as we head towards the final term of another busy year.

Have a great holiday and we will see you all back safe and well for Term 4.

Best wishes,

Your friends at The Patch School

5/6 Winter Sports

On Thursday 8 September, our 5/6 students attended Mountain District Winter sports held at Monbulk Reserve. They competed in AFL, Nines, Minke hockey and Netball. Our students displayed amazing sportsmanship and made us proud.

Below is our winning football team. Thank you so much to Glenn for this great photo of the team!
Assembly stars!

Congratulations to all the students awarded certificates at assembly!

Well done everyone!

Have you been to assembly recently? We hold our whole-school assembly on Friday mornings at 9am either in the hall or on the basketball court, depending on the weather.

Hope to see you there soon!
Congratulations to our Kids Teaching Kids participants Alex, Max, Sylvan, Anastasia, Niamh, Saige, Jai and Dylan.

What is Nude Food?

**Nude Food** is simply food that is not wrapped in foil, plastic or commercial packaging.

The best type of nude food consists mainly of fresh food, so that it is healthy and nutritious PLUS environmentally friendly.

Promoting *Nude Food* empowers students to make conscious choices about what they eat, and encourages them to think about their impact on the environment (and their health). You might be amazed with how enthused your child can become on this...

### To pack a *Nude Food* Lunch or Snack, you will need:
- Cutlery from home is better than throwaway plastic ones
- Plastic or metal drink bottles are recommended for refilling with water
- Reusable containers for putting all of your food, snacks and drinks into
- Lunch boxes that have lots of separate sections can be useful to avoid lost lids or containers

### Try to avoid:
- Zip lock or plastic bags, plastic wrap or aluminium foil
- Tetra packed drinks, single serve yoghurts and cheese
- Single use plastic forks and spoons
- Prepackaged food, i.e. biscuits, snack bars and chips

### Tips for Packing *Nude Food* Lunches:
- Try to involve the kids in helping decide what to take. This will help to avoid uneaten foods being thrown out, plus will save your family money as well. Also, remember to praise your child if they do eat something healthy which is new for them.
- Try to pack the lunches the night before and store in the fridge overnight to avoid the mad rush in the morning.
- If your child normally enjoys chips, yoghurt or other prepackaged snacks, buy these in a larger format and you can decant these into smaller reusable containers or lunchbox.
- If your child does enjoy chips, why not try making your own vegie versions using sliced beetroot, parsnip or sweet potato and baking in the oven?
- Try to use fruits and vegetables that are in season. Seasonal produce is friendly to the environment as well as to your budget, as less fuels are used to transport it into your supermarket.
- Go to www.nudefoodday.com.au/resources for *Nude Food* recipe ideas.

OVERCOMING
SHYNESS!!

* Commenced in Feb 2003, this camp has continued for one reason only- because it works! It does cause kids to be much more confident, and it does increase their self-esteem!

* The Feb 16 camp is for new campers. In some cases we do accept new ones in the October camp if extenuating circumstances exist, but ring and ask about this if needed.

- See www.kidsofgold.org.au to see who we are, what we do, and to download a form for the Feb 16 camp, which also has more on it about how the camp started and where it is in the beautiful Yarra Valley.
- Open to Primary
- There are 4 levels level, and in the first leaders came level, after much hard work!
- All activities are fun activities, from low ropes, initiative activities, wall climbing, games, drama and interactive sessions.
- Held at Lyrebird Park campsite, Beenak Rd, Yellingbo - Melways 308 K10
- Cost of $65 is subsidised by sponsors such as Bendigo Bank, Bunnings Ranges Council.
- Contact Kids of Gold on 0418 170 027 (Jenny) or 9737 9475 (Gary) or 0415 427 396 9 (Gary) to hold a place and/or find out more.

CONTACTING OSHC

To contact OSHC staff during program hours please call the main school telephone number 9756 7463 and select Option 1 to be directed to the OSHC landline.

If this line is unavailable, please call the mobile 0419 515 494 and, if there is no answer, feel free to leave a message.

Also call this number during school hours and you will be re-directed to the OSHC Voicemail.

Staff will get back to you as soon as possible. Thank you 😊

Paying Cash at School

As we are fast becoming a cashless school, we do not hold any change on the premises. If you are needing to pay cash at school you will need to ensure you have the correct amount as we are unable to give change. Thank you for your cooperation.

QkR Tips!

We have had overwhelmingly positive feedback about our new payment app Qkr (pronounced ‘Quicker’). For any of you who do not have access to a tablet or smart phone and cannot access the app, head to the school website (School Life tab) where there is information about how to access the web based version.

Can two parents set up an account for the same student?

Qkr!™ offers the ability for two parents to set up an account for the same student if needed. However, please note that the two accounts are independent and no details are shared between them.
The Patch Store is on Qkr!

School lunch orders are now available for order on Qkr! This will be a great time saver, no longer will you have to scrounge for loose change in the morning rush! Lunch order days are still Monday, Wednesday and Friday. When you log on to Qkr simply click on The Patch Store then select the day you are ordering lunch for, then scroll through the products and select what you’d like. You will need to order individually for each child.

Remember that if you have ordered lunch on QkR, there is no need to place a written order in your child’s lunch order basket. As with any new process, there may be a few hiccups to begin with but the system is constantly being refined and your feedback is valued.

Thank you for your enthusiasm and understanding.

Garden Team

We are always looking for new members for our Garden Team. If you would like to come along to our monthly Tuesday night meeting, please see Michelle Rayner 😊

**Parking Restrictions behind the Hall**

Please note that there is no parking behind the Hall. This is a staff only area and we ask parents and visitors to use the gravel car park behind the shelter shed or parallel parking spaces along the ring road.

Thank you for your co-operation 😊
What is SchoolMate? SchoolMate is an app for Victorian parents to help them understand what their kids are learning and get more involved in their child’s education.

Who is SchoolMate for? Parents of students from prep to Year 10 in Victorian government schools.

Can parents of children in Catholic and independent schools use SchoolMate? Parents with children at Catholic schools can also use SchoolMate as their schools also follow the AusVELS Victorian school curriculum. Parents with children at Independent schools should check with their principal or teacher about how closely their school follows the AusVELS curriculum.

Where can I get SchoolMate? You can download it now for free in the App store and in Google Play. Just search for ‘SchoolMate’.

Does SchoolMate work on all phones and tablets? SchoolMate works on all iPhone 4s, 5s and 6s and all recent iPads. It also works on all current Android phones and tablets.

What will I find in SchoolMate?

SchoolMate will:

- Show parents a snapshot of what their children are learning in each subject at each year level according to the Victorian curriculum (AusVELS)
- Provide tips as to what they can do at home to help their kids in the best way possible
- Suggested related apps, books, events and activities relevant to each subject area.

Will SchoolMate tell me everything about what my children are learning at school? No. SchoolMate is a snapshot of the school curriculum (AusVELS) which our school uses as the basis for the learning programs we deliver every day. Parents should always talk to their child’s teacher with any questions about what their child is learning.

Who created SchoolMate? The Department of Education and Training’s Digital Comms team, with lots of help from the Victorian Curriculum and Assessment Authority and dozens of educators from the Victorian teaching subject associations.
The Importance of Attendance

Please remember that all students are expected to be in their classroom, ready to begin lessons by 8.50am.

We understand that now and again things don’t go to plan but all families should aim for their children to be at school by this time.

Parents should also remember that late arrivals or early leavers must be signed in or out by their parent or guardian using the VPass system on the iPad at the office. The appropriate orange or yellow tag must also be given to the classroom teacher when collecting your child.

The Department of Education & Training has very specific expectations about school attendance and we ask that all parents be mindful of the importance of prompt and regular attendance at school.

Thank you.
