### Lunch Orders
Since its introduction, Qkr has proven to be the easiest and most effective way for our school community to pay for items & activities. To make the most of this efficient process, The Patch Store will only be accepting lunch orders placed via Qkr from the beginning of the 2016 school year.

Thank you 😊

Have a great Melbourne Cup Day holiday!
Yet again there are all sorts of work and improvements going on in the background whilst our wonderful teachers and staff focus on our beautiful kids in school.

At our recent school council meeting the school councillors heard from Aimee de Boekhorst, the Manager at Monbulk & District Community Bank Branch of Bendigo Bank. Aimee came to talk to us about the Club Rewards program and how it can benefit our school. You may have seen the information recently in the newsletters. Aimee explained the value that a strong relationship between the school and Monbulk & District Community Bank can have. If any of our families nominate the school as their ‘Club' when doing their banking at Bendigo in Monbulk, the school earns valuable rewards. It could mean that the school has a new source of funding if our school community participates in this program. I would ask you to consider nominating The Patch Primary as your ‘Club' when doing your banking at Monbulk Bendigo Bank and help us earn rewards for the school.

Also this month at school council, we had a request from one of our talented students for permission to sell her hand made hair accessories. It is wonderful to see an entrepreneurial student’s ability to get through the whole process and be able to present a very well thought out project to school council. You may now see Tilly's hair accessories for sale, some of which are even made to match the school uniform. Well done Tilly and good luck.

We are now approaching the end of year celebrations and we are ready to start our parents and friends group with the assistance of Bree Downes. Would you like to be part of this group? Have you got ideas or projects you would like to see happen at the school? We would love your input. Please come to our initial meeting to be held at 7pm on Wednesday 4th November at the school. We would love to see you there!

This week we had the Diana Ferrari Fundraiser run by Sue Kidd. Thanks very much Sue for all your effort and input. It was a really fun night and we managed to raise some money for OSHC at the same time. Thank you to all those that attended and supported this great and valuable service run by the school council.

There is a busy season ahead and we hope that the term finishes off well. I am very excited at all the plans that are in place for next year and look forward to a great finish to 2015. I am aware that there is always room for improvement and hope that if you have ideas, concerns, issues, complaints or feedback that you will contact the school or myself. You can email me on tebbutt.sarah.s@edumail.vic.gov.au

**TRAFFIC DISRUPTION NEXT WEEK**
VicRoads will be installing electronic speed limit signs on the roads around our school beginning Wednesday 4th November.

Please be aware that traffic will be disrupted at this time and temporary traffic management will be put in place.
Congratulations and thank you to everyone for participating in Nude Food Day 2015! Our school cleaners, Emma and B, were really surprised at how little rubbish there was in our bins on Tuesday. We sent a lot less waste to landfill which helps to keep our planet clean and healthy 😊. After such a successful day, why not try to have Nude Food Day every day!

**WASTE AUDIT**

October students in grade 4 conducted our very first waste audit to find out how much waste our school produces in one day.

We made transfers to iron on to our t-shirts. The logo said “Staking out the trash” and Charlie from 3/4C drew a picture of a stinky bin.

The waste Audit was really gross and disgusting and smelly. It was embarrassing how much waste our school produces.

Our Waste Audit found that in one average day our school produces 1721g of landfill, 2012g of paper waste, 1069g of mixed recycling and 7617g of compost.

We think the first thing we need to address is our compost waste. A lot of this compost is actually wasted food like full apples and half oranges etc. Some helpful suggestions to reduce this compost waste are: If you have had enough of your fruit, maybe save it for later or choose a smaller piece of fruit next time. If you don’t eat your apple, take it home! If you don’t like the fruit you’ve been given, ask for something different.

To help reduce some of the waste going to landfill you could try to put more of your food in containers or you might like to buy one of the amazing reusable sandwich wraps that 3/4B have made in Sustainability. You can purchase one from 3/4B’s classroom for $6.

Please try to bring nude food every day to reduce the amount of waste coming to school in our lunch boxes that ends up in landfill 😊.
Matilda’s Magnaties

Matilda is a girl in year 3 and has made a business called Magnaties. She has created a range of clips, hair ties and magnets for school. She will be selling some of these on Thursday the 12th of November. An order form will come out soon where you can pre order your Magnaties.

Thanks,
Matilda

Sadie’s CD

Sadie is a girl in year 6 and has just released her first album. On Thursday the 12th of November she will be selling it with Matilda and her Magnaties. Sadie would like you to pre order if possible and the pre order form will come out soon.

Thanks,

The Patch Primary School Book Fair starts Thursday the 19th of November at 3.30pm. Christmas is around the corner, so it’s the perfect opportunity to do some Christmas shopping and support the school at the same time.

The book fair that we held in May raised over $800 for our school library. What a fantastic result! Thank you to everyone for their support.

Our library has beautiful books and without the support of the school community and the wonderful people who do the scholastic book club, we would not have such a comprehensive and delightful selection of books.

The book fair starts at 3.30pm on Thursday the 19th of November and finishes 9.00am Thursday the 26th.

See you at the book fair!

Cheers, Josie
Congratulations to all our students who participated in the 2015 Maths Competition. Well done!

Have you been to Assembly recently? We hold our whole-school Assembly on Friday mornings at 9am either in the Hall or on the basketball court, depending on the weather.

Hope to see you there soon!
We have had overwhelmingly positive feedback about our new payment app Qkr (pronounced 'Quicker'). For any of you who do not have access to a tablet or smart phone and cannot access the app, head to the school website (School Life tab) where there is information about how to access the web based version.

Should I log out from the Qkr! app for security?

Qkr!™ is the safe, secure, reliable way to pay for school items. Qkr! is provided by MasterCard so you know your payments are secure. No information will be stored on your phone. Registration details and card information are saved securely on the MasterCard network.

As an additional security feature, Qkr! automatically logs you out after 10 minutes of inactivity. When this happens, you will still be able to browse the menu and add items to cart, but you will be prompted to enter your password and log in at check out.

If you wish to actively log out after each session, you may do so. However, you won’t be able to browse the menu again without logging in. An alternative is simply to change your settings so that you are ALWAYS prompted to enter your password at check out even if you are still within the same ten minute logged in session. This option saves you logging out after each session / logging in each time you wish to view the menu. You will be able to view the menu as normal, safe in the knowledge that Qkr! will ALWAYS ask for password confirmation before allowing you to make a payment.

Steps to turn on the “Always prompt for password on checkout” option:

1. Open Qkr!
2. Tap on the three horizontal lines icon at the top left of the screen
3. Tap on the word ‘Settings’. This will open the settings page and present you with a number of options to personalize the way Qkr! works for you
4. Near the bottom of the page, you will see an option called “Always prompt for password on checkout” which by default is set to OFF. Slide to change this to ON

The Patch Store is on Qkr!

School lunch orders are now available for order on Qkr! This will be a great time saver, no longer will you have to scrounge for loose change in the morning rush! Lunch order days are still Monday, Wednesday and Friday. When you log on to Qkr simply click on The Patch Store then select the day you are ordering lunch for, then scroll through the products and select what you’d like. You will need to order individually for each child.

Remember that if you have ordered lunch on QkR, there is no need to place a written order in your child’s lunch order basket. As with any new process, there may be a few hiccups to begin with but the system is constantly being refined and your feedback is valued.

Thank you for your enthusiasm and understanding.

What is SchoolMate? SchoolMate is an app for Victorian parents to help them understand what their kids are learning and get more involved in their child’s education.

Who is SchoolMate for? Parents of students from prep to Year 10 in Victorian government schools.

Can parents of children in Catholic and independent schools use SchoolMate? Parents with children at Catholic schools can also use SchoolMate as their schools also follow the AusVELS Victorian school curriculum. Parents with children at Independent schools should check with their principal or teacher about how closely their school follows the AusVELS curriculum.

Where can I get SchoolMate? You can download it now for free in the App store and in Google Play. Just search for ‘SchoolMate’.

Does SchoolMate work on all phones and tablets? SchoolMate works on all iPhone 4s, 5s and 6s and all recent iPads. It also works on all current Android phones and tablets.

What will I find in SchoolMate?

SchoolMate will:

- Show parents a snapshot of what their children are learning in each subject at each year level according to the Victorian curriculum (AusVELS)
- Provide tips as to what they can do at home to help their kids in the best way possible
- Suggested related apps, books, events and activities relevant to each subject area.

Will SchoolMate tell me everything about what my children are learning at school? No. SchoolMate is a snapshot of the school curriculum (AusVELS) which our school uses as the basis for the learning programs we deliver every day. Parents should always talk to their child’s teacher with any questions about what their child is learning.

Who created SchoolMate? The Department of Education and Training’s Digital Comms team, with lots of help from the Victorian Curriculum and Assessment Authority and dozens of educators from the Victorian teaching subject associations.

The Importance of Attendance

Please remember that all students are expected to be in their classroom, ready to begin lessons by 8.50am.

We understand that now and again things don’t go to plan but all families should aim for their children to be at school by this time.

Parents should also remember that late arrivals or early leavers must be signed in or out by their parent or guardian using the VPass system on the iPad at the office. The appropriate orange or yellow tag must also be given to the classroom teacher when collecting your child.

The Department of Education & Training has very specific expectations about school attendance and we ask that all parents be mindful of the importance of prompt and regular attendance at school.

Thank you.
