At The Patch School we enjoy sharing and celebrating our achievements. This is often best illustrated with images of our students participating in a variety of activities.

This form seeks your permission to use your child’s image in both internal and external displays, including:

- Slide shows
- Photographic displays
- Our newsletter and website
- Information booklet and brochures
- DEECD publications and website

In the event that an opportunity arises for your child’s individual image to be used outside of our school community such as television or print media, your permission will be sought.

We require all parents to complete an authorisation form provided below for each child. If you have any further questions please contact the school office.
