Welcome to Parent News Term 2, 2016

NEWS ACROSS THE EASTERN REGION
Boroondara, Knox, Manningham, Maroondah, Monash, Whitehorse, Yarra Ranges

Hello all,
As you are probably aware, Gill Oliver is no longer with us as our team leader. Unfortunately, she has moved on to work with DHHS in adoption and foster care and will be very missed by us here at Parentzone.

We have also undergone a transformation here at Anglicare with new branding, logos and website. This has therefore changed the look and pathways to find our newsletters. The pathway now to find our newsletter online is to head to www.anglicarevic.org.au, then click on “About Us” very top right hand side of page. When this page opens you will see NEWSLETTERS on left side of page. This link will take you directly to our newsletter. Our newsletter is full of information from other organisations as well as our own.

We also offer consultation, information & resources, along with knowledge and skill development for all parents and the people who support them – professionals, nurses, teachers...anyone.
We have an extensive library of books and information on a wide range of topics of interest to parents. Books are available for loan – just give us a call on 9735 6134.

“User Guide” for Parent News
1. The Index on Page 3 lists all the sections across a range of topics of interest to parents
2. Check index to find what section you are interested in by:
   • the age of your child or young person
   • a specific topic (e.g. sole parents, mental health support)
   • a feature that fits for you, your child or your family (such as your cultural background, disability issue, stepfamily)
3. Information in each section starts with general resources that cover all of the Eastern area and then is listed according to each Local Government area.
4. If you don’t easily find what you are seeking…try a related topic or give us a call!

Parent Education Partnership Scheme (PEPS)
The PEPS scheme is available for not-for-profit organizations to provide parenting courses, forums and events in their local community.
Enquiries are welcome regarding any parenting support project you may have in mind. Funds are still available for the 2015-16 year - give us a call to discuss your interest.
Regards Parentzone team – Julia, Helena and Kim

This email is sent to a designated contact person provided by each organisation. We are especially grateful for all the responses we receive but unfortunately we don’t receive a completed form from all registered members.

We need this information by in order to have your programs advertised in Term 3, 2016.

Please use the “What’s On” form included or emailed to you with the reminder towards the end of term.

To Save Time and Human Resources We Need Your Help!!
