SCHOOL COUNCIL 2015 ELECTIONS

Congratulations to parent members:

- Linda McBride
- Lynne Davidson
- Clare Prichard
- Susan Sturt

Who have been elected to School Council for 2015.

Parent Contributions 2015

Information regarding Parent Contributions (school fees) for 2015 along with policy documentation was published on our website last year. Click here to be directed to these documents.

Parent Contributions cover the cost of consumable items used by your child and are integral to the running of the school.

Please understand that we are very conscious of family budgets and Deb, Jody or Karen are always available to discuss suitable payment options with you to manage these educational expenses.

We would appreciate payment as soon as possible and thank you for your ongoing support.
From the Principal...

Thought for the week: *Dreams are the touchstones of our character. Henry David Thoreau*

Have you circled the 14th and 15th March on your calendar?

**OUR OPEN GARDEN is coming!!!**

Stay for two hours, or make a day of it from 10 am – 4 pm.

Only 20 days to go and 21 sleeps!

We are participating in the final year of *Australia’s Open Garden Scheme* and it will be a fabulous two days full of *family entertainment*, market stalls, food stalls, music, children’s stalls, lectures and tours.

SO........

Come and wander through our award winning gardens, stop and listen to the music and bands that will be going all day, then join in with the many activities that will be happening during the day.

By this stage you might settle down at a table and relax and enjoy your purchases of sausages, pizza, sushi or scones and then finish off with a coffee or tea.

Then have a wander in our wetlands toured by our Grade 3/4 students and finish with a lecture in the Library.

Just before you leave you might spend a few minutes bidding at the silent auction.

As you can see, we are building up to a great event to celebrate our amazing school gardens. We will be looking for many volunteers over the next few days to assist with tasks ranging from handing out flyers around the area, sourcing donations of goods for the pizza making, the silent auction, helping at the class stalls and at the entry gate to name a few.

You will find a roster located in the school foyer next week and we would love you to put your name down to help out during the day.

This will be our major fundraising for the year so we hope everyone is on board and ready to pitch in.

Have a great week,

*Deb*

*[herrmann.debra.a@edumail.vic.gov.au](mailto:herrmann.debra.a@edumail.vic.gov.au)*
EVERYDAY COUNTS

Going to school every day is the single most important part of your child’s education. Students learn new things at school every day – missing school puts them behind.

In Primary School, some students miss on average 3 weeks of school per year. That’s half a year of school by the end of year.

Last year new laws where put in place that mean parents can be fined for not sending students to school without an acceptable reason.

If you’re having attendance issues with your child, please let your classroom teacher know so we can work together to get your child to school every day.

Why it’s important

We all want our students to get a great education, and the building blocks for a great education begin with students coming to school each and every day.

If students miss school regularly, they miss out on learning the fundamental skills that will set them up for success in the later years of school.

There is no safe number of days for missing school – each day a student misses puts them behind, and can affect their educational outcomes.

Each missed day is associated with progressively lower achievement in numeracy, writing and reading.

Getting in early

Attendance patterns are established early – a child regularly missing days in kindergarten or in the early years of school will often continue to miss classes in the later years, and receive lower test scores than their classmates. It’s vital that students go to school every day – even in the early years of primary school.

What we can do

The main reasons for absence are:

- **Sickness** – There are always times when students need to miss school, such as when they’re ill. It’s vital that they’re only away on the days they are genuinely sick, and setting good sleep patterns, eating well and exercising regularly can make a big difference. It's vital that holidays are planned during school holidays where possible, and not during the term if it can be avoided.
- **“Day off”** – Think twice before letting your child have a “day off” as they could fall behind their classmates – every day counts.
- **Truancy** – This is when students choose not to go to school without their parent’s permission. There can be many reasons for truancy. The best way to address this is for schools and parents to work together.

If for any reason your child must miss school, there are things you can do with your school to ensure they don’t fall behind:

Speak with your classroom teacher and find out what work your child needs to do to keep up.
Develop an absence learning plan with your teacher and ensure your child completes the plan.
Remember, every day counts. If your child must miss school, speak with your classroom teacher as early as possible.

Openly communicating with your child's school about all absences is a good way to prevent attendance issues being escalated to a School Attendance Officer.

A School Attendance Officer is a Department of Education and Early Childhood Development Regional Director who has authority to follow up attendance issues. Attendance issues that are escalated can lead to an Infringement Notice.

For more information and resources to help address attendance issues, visit:

Assembly Stars!

Congratulations to the amazing students who were awarded certificates at assembly! Well done everyone!
Assembly Stars!

Congratulations to the amazing students who were awarded certificates at assembly! Well done everyone!

Have you been to Assembly recently? We hold our whole-school Assembly on Friday mornings at 9am either in the Hall or on the basketball court, depending on the weather.
Hope to see you there soon!
Daniel Blandthorn, the dad of Patrick 5/6C, Jonah 3/4C and Ollie 2A, is participating in this year Oxfam Trailwalker.

Daniel is participating as part of a team from his work Invetech and they are hoping to raise $2000 towards Oxfam. The money raised will help some of the world’s poorest people. Our fundraising enables Oxfam to continue its work delivering projects that support orphans and people affected by HIV and AIDS in Southern Africa, that educate people in Laos on efficient farming techniques and that improve Indigenous health and wellbeing in regional Australia.

Teams of four enter this event and have 48 hours to walk or run the 100km trail. It’s very likely that his team Bolters Invetech will walk through the night (with little or no sleep) until the end. The event raises vital funds for Oxfam Australia. Oxfam is an independent, secular, non-government organisation working in more than 28 countries and Indigenous Australia.

We ask that you support Daniel and his team in this massive challenge. Please consider how you may be able to get behind us, either by sponsoring us directly or referring us to others. If you would like to sponsor us please follow the link:

https://trailwalker.oxfam.org.au/team/home/19426

Team Bio – Bolters Invetech

Oxfam Trailwalker is Australia's original 100km team endurance event. It's an inspiring and challenging event that changes lives.
We're four colleagues from Invetech, of varying ages, backgrounds, waistlines and levels of fitness.
We're all up for an endurance challenge in aid of a good cause, and in best management speak we've decided on a "stretch goal" of twenty-five hours. As Dave says, it shortens the pain and gets us to the beer faster.

Reality has now set in, and it's just dawning on us what we've let ourselves in for.
As charities go, we're big fans of Oxfam and what they stand for worldwide. We hope you agree, and will sponsor us generously!

Thank you.
The Blandthorn Family

---

**Scholastic Bookclub**

Scholastic Bookclub is back for 2015. New and improved!

Orders can now be entered and paid for online using the new Scholastic LOOP website and app.

Look out for a catalogue in your child’s school bag around the end of February.
Introducing

Book Clubs LOOP
for Parents

NOW AVAILABLE AS AN APP!

LOOP is the NEW Scholastic Book Clubs Linked Online Ordering & Payment platform for Parents.

If you want to pay by credit card for your online Book Club order, our new platform makes it easy! It eliminates the need for paper order forms plus your online order is submitted to the school safe and sound.

Log-in to www.scholastic.com.au/LOOP or download our NEW iPhone and iPad app from the App Store!

• For a quick start, just click on ORDER in the top menu or REGISTER first to save your details for next time
• Select your school and your child’s class
• Add your child’s first name and last initial (so the school knows who the book is for)
• Enter the item number from the Book Club brochure
• You can order for multiple children at once if they attend the same school
• All orders are linked directly to the school for submission to Scholastic. Books will still be delivered to your child’s classroom if you order by the close date
• There’s no need to return paper order forms or payment receipt details to your school!

For a quick how-to-order video, log-in to www.scholastic.com.au/LOOP and click on HELP in the top menu.
Welcome Margaret, Sylvie and Rose-maree!

Today we welcomed three elderly residents from the Mercy Aged Care facility in Montrose who paid a visit with their manager, Vikki Ducrow, a past parent of The Patch Primary School. These three lovely women were instrumental in the care of our guinea pig, rabbit and budgie over the long summer holidays and returned to ensure we were continuing to deliver the high standard of care to which our animals had become accustomed!

With the rabbit and guinea pig snuggly inside the soft shoulder bags made by the residents, Margaret and Sylvie enjoyed nursing and stroking their furry friends. The animals clearly recognized their voices and touch as they responded readily with much chatter and quickly relaxed into a very calm state. It was such an affirmation of the love these women have bestowed on our animals and how valuable the experience was.

After a tour of the garden and lots of interactions with our Year 6 leaders, Nyssa, Indigo and Lily, our guests visited some of our classes and then returned to their residence for fish and chips! It was a lovely experience for all.
The Patch School was represented ‘swimmingly’ as the recent Mountain District Swimming Competition. A large number of our senior students did a fantastic job swimming for our school and four made it through to the try-outs for a place in the Regional competition. As always, the behaviour of these students was exceptional and we are all very proud not only of their achievements but of their attitude and sportsmanship. Well done to you all!
CLASSROOM EMERGENCY MANAGEMENT PROCEDURES

Please familiarise yourself with the current approved Emergency Management Plan procedures. This will assist us when we are practicing our drills with your children.

In the event of an EMERGENCY the following plan will be used:

- An announcement will be made explaining Lockdown/Lockout/Evacuation details.
- Message will be repeated
- P.A. Siren will sound

**One Continual Siren** means **Evacuate to Hall**

**Siren with Two-Second Intervals** means: **Evacuate to Oval**

Procedure:

On hearing siren:
- Teacher will collect attendance roll and Emergency Management Plan folder
- Check adjoining withdrawal areas for any students
- Close windows and turn lights off as the class leaves the room
- Assemble children in an orderly fashion for evacuation to Hall or Oval using route depicted on evacuation map (on wall inside classroom door)
- Evacuate by external door to Hall or Oval
- Once at Assembly point all children are accounted for to ensure no child or visitor has been left behind.

The Patch School’s Emergency Management Plan is available on our website. Please [click here](#).
A Reminder for the Commencement 2015

We are identified as being at higher risk on the Bushfire Risk Register and, as such, will be required to pre-emptively close on days of Code Red fire danger. More information will be available next year.

As has been in place for several years now, on days of Total Fire Ban all children are required to be picked up from drop off and no child will be permitted to walk home or leave the school without an adult unless written permission is provided by their parent or guardian.

It is important that all parents have alternative arrangements in place for these days. Also as Total Fire Ban days occur and you choose to pick your child up early it is vital that you sign your children out at the office. The DET requires attendance rolls to be marked in the morning and after lunch and this is even more important when included as part of our emergency management procedures. In the event of an unforeseen fire we would waste several precious moments trying to work out where children are if they have not been signed out appropriately. For everyone’s benefit, I implore you to make sure you follow this very simple procedure.

Deb Herrmann
Principal

Re-Location Drills

We have had two re-location drills since returning to school this term. Our students did a fantastic job of walking quickly but sensibly to the Hall which is our on-site re-location point. Drills are an important part of our Emergency Management Plan and help us all to be well prepared and ready if we do have to face a real emergency.

VPass System on Trial

We have recently implemented a trial of VPass as our method of recording students arriving late and leaving early and monitoring visitors to our school. VPass is an iPad app that guides users through fields recording information similar to that required by our manual paper-based system. The iPad is attached to the wall on the right hand side of the Office counter. The benefits include:

- Reduction in paper consumption
- Reduction in manual record-keeping for teachers
- Information required in case of emergency re-location is easily accessible online via smartphone or iPad
- Enables us to meet our OH&S responsibilities easily
- Colour-coded lanyards quickly identify the purpose of a visit to our school
- More effective management of school keys and security

If the trial is successful, we will continue to use VPass next year.

Users can simply follow the prompts on the iPad, ensuring each field contains data (if the field is not relevant please enter any character to allow you to move on – all fields must include data) and if you are signing your child in or out during school hours, please be sure to pick up a ‘Late Arrival’ or ‘Early Leaver’ pass which are found on the counter to the left of the iPad.

As always, your feedback is welcome so please let the Office staff know how you find this new system.
New Lunch Order List

Below you will find a fabulous new lunch order menu from The Patch Store. This menu is effective from this Monday 9th February — what will you try first???

The Patch School Lunch Order List 2015

* All pies, rolls, bread are sourced from local bakery in Monbulk

Please note all lunch orders must have name, grade, order and prices clearly written on an envelope or brown paper bag. Correct money is appreciated.
THE PATCH

This multi award-winning two-acre garden with an emphasis on sustainability has been designed and implemented by the school's students, and this weekend you can enjoy their efforts in a village fete atmosphere.

There will be wood-fired pizzas, a sausage sizzle, coffee cart and lots of wholesome food. Live music will be playing and you'll be able to buy plants and local produce.

The students will take tours of the gardens and wetlands, and there will also be talks on designing children's landscapes and plant selection.

Special activities for children include scarecrow making, miniature garden making and art activities. There are chooks, an orchard and a one-acre fenced wetlands, and the various small garden areas include edible, alphabet, world, dry, bush food, Australian plants and biodiversity to attract butterflies.

Come and enjoy the day - there'll be something for everyone!

53 KALLISTA-EMERALD RD, THE PATCH

SATURDAY, 14 & SUNDAY, 15 MARCH 2015

OPEN • 10am-4:30pm
ENTRY • $8 (U/18 FREE)
INFO • opengarden.org.au
EMERGENCY ALERT. BE WARNED. BE INFORMED.

If there is a bushfire, flood, severe storm or other major emergency near you, the emergency services may choose to warn you by text to your mobile or a voice message to your home phone.

Emergency Alert is the national telephone warning system. It uses the address where your phone is registered and the actual location of your mobile to reach you:

- when your home or school is near an emergency
- when you are travelling with your mobile near an emergency.

When the emergency services use the telephone warning system:

- a home phone within the warning area may receive a recorded voice message that begins with “Emergency, Emergency”, and/or
- a mobile phone that is switched on and in an area of mobile coverage may receive a text message.

The service is free and you do not need to register.

The warning message will tell you:

- which emergency service sent the message: eg CFA
- about the emergency and where it is
- what you should do to stay safe
- where you can get more information.

All telephone warnings come from the official number: +61 444 444 444

Example Text Alert

From: +61 444 444 444

EMERGENCY WARNING FROM CFA

Fire in Pohnlers Road area. Visitors to Grampians National Park should leave now. Check local radio or visit emergency.vic.gov.au

Talk to your child about the Emergency Alert system.

If they receive a warning message on the home phone or a warning text on their personal mobile, encourage them to stay calm and show or repeat the message to a responsible adult they know, such as a relative or teacher.

If adults are not around, encourage them to follow the action given in the alert.

For more information about the system, visit emergencyalert.gov.au and watch the video (it’s in 30 languages).

In an emergency, do not rely just on your telephone for a warning.

- Stay aware of your surroundings
- Listen to local radio
- Visit emergency.vic.gov.au
- Download the FireReady app
- Go to facebook.com/cfavictoria
- Follow @CFA_Updates on Twitter
Remember your weekly school banking is collected on a **Wednesday**.

Every time you deposit you will receive a sticker for your certificate and with only 6 stickers per term you will receive a prize at the end of term.

Application forms and certificates are available at the school office.

By banking with Bendigo Bank you also support all the animals at the Monbulk Wildlife Shelter.

Have fun saving and don’t forget you can contact us at the Bank with any questions at all 😊
