Welcome back to school!

Dates to Remember

February 2014

Mon 10th Preps Finish School at 3.15pm from this Day
Wed 19th Get to Know You Picnic – Preps
Thur 20th Get to Know You Picnic
- Grade 1 & Grade 2
Fri 21st Get to Know You Lunch
- Grade 3 & Grade 4
- Grade 5 & Grade 6
Introduction to Leadership
- Grade 3 & Grade 4
Leadership Project Rocket
- Grade 5 & Grade 6

March 2014

Mon 3rd to Wed 5th Sovereign Hill Camp
- Grade 6
Tue 11th Information Nights begin
Mon 17th World ‘Close the Gap ‘Day
Thur 20th World of Maths
& Fri 21st
Thur 20th Science Information Night
Fri 21st Science Information Day
Mon 31st School Photos

April 2014

Fri 4th Last Day of Term One

Code Red Days & Total Fire Ban

The Patch School is identified as being at high risk on the Bushfire Risk Register and, as such, will be required to pre-emptively close on days when the Fire Danger Rating (FDR) is Code Red. Details were distributed early this week and are also included in this newsletter.

On days of Total Fire Ban (TFB) all children need to be picked up from drop off and no children will be permitted to walk home or leave the school without an adult, unless written approval from their parent is provided. This has been the case in Terms 1 & 4 since 2009. It is important that all parents have alternative arrangements in place for these days. Also as these days occur and you choose to pick your child up early you must sign your children out at the Office.

As part of our regular duty of care, role marking after the children have come in from lunch will occur. This is even more important during high fire danger days. In the event of a fire we would waste several precious moments trying to work out where children are if they have not been signed out. I can only implore you to make sure you follow this very simple procedure.

Deb Herrmann
Principal
From the Principal…

Thought for the Week: The most powerful thing we can do to change the world is to change our own beliefs to something more positive.

What excitement there was on Monday with well refreshed and rested children, relaxed parents chatting with teachers and toddlers racing in and out. Visiting each classroom was a joy where I observed well-settled and busy children working away as if they had been at school for nearly a month - a tranquil, peaceful start to our new year.

We also welcome a number of new students this year. They have all settled in well and we look forward to getting to know them more as the year progresses. Welcome to the Chatfield, Schubert, Upham, Bell, Sheargold, Fincher, Lee-Wrenn, Tahar, Freeman, Doonan, Landorf, Ransom-Hogg, Steel, Adshead, Amaruso, Campbell, Dorey, Douma, Flanagan, Hammerstein, Hollow, Jackson, Lazdins, Osipova, Smith (Evie) and Smith (Robbie) families who are new to our school.

We continue to be very vigilant about nuts being at school. We have several children and staff who are intolerant as well as extremely reactive which can quickly escalate to a life threatening situation. We have reviewed our anaphylactic policy and training to encompass all the steps necessary to keep our children and staff safe.

We request that you do not send nuts or nut products to school. Class teachers have been discussing our process and procedures around this with the children. No food or papers will be allowed outside during recess and lunch. Children will eat their snacks and lunch inside so please reinforce with your children the importance of following this rules as we need all children to feel safe at school.

I would like to acknowledge the wonderful dedication and enthusiasm of our staff that spent many hours preparing for the commencement of school. We are fortunate to have such high quality and committed staff throughout the school.

Payment for 2014 student requisites is due now and the following link will take you to the relevant page on our website where the 2014 Parent Payments information is available. Considering our commitment to sustainability, we will not be sending hard copies of this information home. Unless you choose the Payment Plan option to pay your student requisites (50% now and 50% in early third term) you can make this payment at the office and no forms are required to be completed.

Information is currently available on our website or at the office (from Monday 3rd February) regarding 2014 School Council Election and the call for nominations. Usually there are two categories that make up membership of the School Council – Parent and Department of Education and Early Childhood Development (DEECD). The Patch is allowed one parent representative of the latter.

We will also be having parent information nights again this year. Please note the sessions will commence in the week of 11th March and times and days will be sent home soon. Don’t forget the “Getting to know you!” picnic or lunch for your child’s grade with details provided in class newsletters. This is an opportunity to meet socially with your child’s teachers and share some food and conversation. We are looking forward to these activities as a new part of our school program.

The tidiness of the school is due to our amazing team of Carla, Leo, Bob and Tyler who spent considerable time over the holidays trimming, weeding, pruning, mulching and mending around the school. This is your grounds and maintenance contribution at work. We are extremely fortunate to have such wonderful people who consistently go above and beyond what is expected. The school looks fantastic thanks to our cleaners, Emma and Bea, who worked in very hot conditions last week.

As always, the strength of this school is in the conversations that we have. I encourage you to continue to come and chat and express your view as your input is valued. I look forward to an exciting year with a great community of children, staff and parents.

Have a great week

Deb

Parenting Online

I think the internet is a wonderful resource for children to use, but it is also one that needs guidelines and monitoring and I would encourage all parents to think about how they are doing this at home. Below is a guidance sheet which has been sourced from “The Cybersmart Program”. It has some very practical ideas around helping keep your children safe. This site has many ideas for Parents, teachers and students and if you have the chance it is well worth the time.

The Cybersmart program provides a range of cybersafety materials for parents and their children. For more information, resources, advice and tips, visit the Cybersmart website at www.cybersmart.gov.au. Encourage your children and teens to take a look around the website. If you have young children, you may like to explore it together to help them understand how to protect themselves against online risks and make the most of their experiences online. The following general internet safety tips are a good starting point to help your children become safe and responsible internet users.

• At this age children’s internet use should be closely monitored. To help with this try to keep the computer in a shared or visible place in the home.

• Be aware of how your child uses the internet and explore it with them. Bookmark a list of favorites you are comfortable with your child visiting and teach them how to access this list.

• Teach your child that there are ways they can deal with material that worries or frightens them—they should immediately tell a trusted adult if they feel uncomfortable about something they have found on the internet or received in an email. Teach them how to close a web page or turn off a monitor if they are worried

• Establish rules around the types of content or information they should report to an adult. For example, one rule may be ‘tell Mum or Dad about any swearing or bad words you find’.

• Talk to your child about personal information and why it is special. This sort of information can be used to identify or locate where they live, go to school or activities in which they are involved.

• Set rules—make sure your child knows what information they can share or post online and which websites they can visit. Telling a trusted adult before posting any personal information online, including for competition entry is a useful rule.

• Help your child understand that what they say and do online is important. Encourage your child to use the same manners, communicate with others in the same way and report others who aren’t being nice, just as they would in the offline world.

• Advise your child not to respond to any negative messages and to report any negative messages they receive to you or another trusted adult.

• Consider using filters, labels and safe zones to help manage your child’s online access.

• Install and update anti-virus and other e-security software to restrict unauthorised access to data on the home computer and protect that data from corruption. Ensure that security features including a firewall are turned on, set to automatic scan and updated regularly to protect against the latest risks.

• If your child shows changes in behaviour or mood that are concerning explore your concerns with them and if necessary seek professional support, including through the Cybersmart Online Helpline at www.cybersmart.gov.au/report.aspx. The Cybersmart Online Helpline provides free, confidential online counselling for children and young people. Your child’s school may also be able to provide guidance and support.
A Letter from Tim, Jay & Kane

I wanted to thank all the people and staff of The Patch and the school. The amazing generosity and support you have show during our difficult time has been overwhelming. I can never find the words to thank each and every person who has helped my boys during this difficult time for us. To Jim and Alesha, a special thanks for putting their life on hold and taking such great care of Jay and Kane. The amazing staff at The Patch School, thank you for the support and care they gave my boys. And a very special thank you to all the wonderful people who gave so much to help Jay and Kane. You will always have a special place in our hearts.

The boys have settled in to a new life with their dad and are very happy and getting the help they need. The boys are very keen to come back for a visit to the school to see all their friends and I will organise this as soon as I possibly can.

If the children would like to contact Jay and Kane, my email is below.

I can never thank you all enough, you are all very special and I wish you all the best,

Tim, Jay & Kane Boyd  tim.boyd8@gmail.com

Your Bushfire Survival Plan & Code Red Days

Living and working in an environment as beautiful as the Dandenong Ranges requires us to take responsibility for our safety on days of significant fire danger.

The Department of Education and Early Childhood Development (DEECD) has a policy in place stating that Government schools listed on the Bushfire At Risk Register must close on days of Code Red fire danger. Families will be advised up to 3 days and no later than 12pm on the day before if their school will be closing for this reason. Once declared, schools that have advised their community of closure will not change this advice regardless of improvements in the forecast weather. Please click on the hyperlinks to the DEECD for full details on Code Red Days and Code Red Day FAQs.

Our Emergency Management Plan is developed to keep everyone as safe as possible in the event of an emergency and one of the greatest threats we plan for is bushfire. We have included our plan for Total Fire Ban days in this newsletter, so please read it and become familiar with the process we have in place. Preparing, understanding and practising a plan can alleviate some of the anxiety often felt during the summer months. Also note that on days of Total Fire Ban, students cannot walk home from school unaccompanied by an adult without written permission from their parents or guardians.

For our families, the most important thing the school can do is encourage you to develop, practise and review your bushfire survival plan.

If your bushfire survival plan involves leaving the area the night before or early in the morning when there is a High, Very High, Severe, Extreme or Code Red fire danger rating forecast, please do so.

The only way your safety from bushfire can be guaranteed is if you are not here.

For lots of information and advice on planning & preparing for bushfire, visit the Country Fire Authority website.
School Council 2014

School Council is the important decision making body of the school. The School Council deals with most areas of the management of the school, other than selection and supervision of teaching staff and classroom management.

The School Council must ratify all school policies after a consultative process. Monthly reports of the school finances must be presented to the School Council. Council sub-committees are convened and attended by school councillors and provide the School Council with important recommendations.

Sub-committees are vital to the successful running of the School and parents are encouraged to be a part of selected sub-committees. Currently we would welcome parent participation in our Community Sub-Committee. If any parent would like to be co-opted into this committee, we are happy to put you in contact with the convenor.

A school councillor represents all members of the school community – students, parents and staff. An effective partnership between the school council and the school ensures a quality education for all students.

If you are interested in being a school councillor and wish to have more information about the work of the council, please contact me at the school, or speak to any of our current parent school councillors – Lynda Krause, Nicola Ryan, Caroline Schmidli, Matt Clear, Nick Morrison, Brian Hawthorne or Peter Kinrade.

**TIMELINE**

- Vacancies – 1 DEECD representative (school staff)  
  4 Parent representatives

- Call for nominations – Monday 3rd February (letter to school community)

- Nominations close – Monday 10th February – 4pm sharp

- Ballot papers distributed – Monday 1st March

- Close of Ballot – Monday 1st March – 4 pm sharp

- Counting of votes – Monday 1st March – 4:15 pm

- Declaration of Ballot – Tuesday 2nd March

- New 2010 School Council – Tuesday 9th March – 7:15 pm

Nomination Forms can be collected from the office. Please note that the dates and times will be strictly followed.

---

**Uniform Shop**

Our Uniform Shop is open from 8.45am to 9.15am every Monday morning. As this service to the school community is provided by volunteers, we ask for your understanding and respect for the hours they are available to help us.

Apart from the time given on Mondays assisting parents and collating & placing orders, our volunteers also put in a large amount of time on other days preparing, unpacking and improving our Uniform system and procedures – all of this on top of their own family and employment commitments.

Please remember that you are most welcome to order & pay for Uniform items at the Office at any time except Fridays.
CLASSROOM EMERGENCY MANAGEMENT PROCEDURES

Please familiarise yourself with the current approved Emergency Management Plan procedures which can be found on our website. This will assist us when we are practicing our drills with your children.

In the event of an EMERGENCY the following plan will be used:

- An announcement will be made explaining Lockdown/Lockout/Evacuation details.
- Message will be repeated
- P.A Siren will sound

One Continual Siren: Evacuate to Hall

Siren with Two-Second Intervals: Evacuate to Oval

Procedure:
On hearing siren:
- Teacher will collect attendance roll and Emergency Management Plan folder
- Check adjoining withdrawal areas for any students
- Close windows and turn lights off as the class leaves the room
- Assemble children in an orderly fashion for evacuation to Hall or Oval using route depicted on evacuation map (on wall inside classroom door)
- Evacuate by external door to Hall or Oval
- Once at Assembly point all children are accounted for to ensure no child or visitor has been left behind.

Congratulations!

We wish to congratulate the students pictured below who were recipients of certificates at Friday’s assembly as our ‘early achievers’. Well done on a great start to the year!
AUSTRALIA DAY AWARDS!

YOUNG ENVIRONMENTALIST OF THE YEAR – GEORGIA GRIMMER

Congratulations to our lovely Georgia Grimmer who recently was awarded the Ken McIntosh Award for Young Environmental Achiever at the Yarra Ranges Australia Day Award Ceremony.

Georgia has been acknowledged for her ongoing commitment and dedication to improving and protecting habitat for local wildlife on our school grounds and for her extraordinary leadership skills. Although Georgia has now moved to Beaconsfield College (Year 5) to follow her sister Brooke, she remains an inspirational advocate for sustainability and environmental responsibility and her peers have gained a tremendous insight into what makes an outstanding leader.

Georgia shows great integrity, responsibility and respect in all she does and this has enabled many others to recognise the importance of these values.

Georgia attended our first school assembly last week with her mother, Tracey, to display her beautiful trophy and certificate and to view a slide show of images and video footage from the awards ceremony. Tracey explained that Georgia felt humbled by the award but proud of her recognition and is sad to be leaving The Patch Primary but promises to return for the next working bee. We will miss her dearly; good luck with your studies Georgia and come back soon!

Michelle Rayner
Yarra Ranges Mayor Fiona McAlister reading out Georgia’s achievements with other members of parliament and local government.

Georgia with Councillor Samantha Dunn [Lyster Ward]. Cr Dunn was sharing some insights into Georgia’s achievements and referenced the great work happening at The Patch Primary School.

The Patch Primary School is very proud of Georgia’s achievements!
News from the Assistant Principal

Thank you for your support:

Despite an association with The Patch Primary School for twenty years as a parent and, later, a teacher, it is surprising how much there is to learn when it comes to taking on the role of the Assistant Principal. Consequently I am much indebted to Deb our Principal and our staff and community for helping me to navigate my way around the various directions that form my areas of responsibility. Please recognise that I will be wearing “L” plates for a while and will appreciate all forms of support and wisdom! Having said that, The Patch Primary School is probably the best learning environment I could ask for where the collective knowledge bank is so extensive, inclusive and understanding.

I shall continue to teach the Environmental Science Program to all students for one hour per week and this shall nestle in nicely amongst the exciting new science program that will be implemented from term 2 with our recently trained teachers, Megan (Yr 1 teacher) and Tania (Year 5/6 teacher). My focus will continue to be on Biological Science and Sustainability, with the underlying themes of advancing ecological literacy and identity (meaningful and informed connections to nature).

Within my role as Assistant Principal, I shall be working with others to examine and develop our school curriculum to ensure we have consistency, clarity and integration across and between subject areas. By integrating the learning that takes place in one domain, for example Literacy, with that of another such as Environmental Science, our students can make real connections with their learning and apply their understandings in a variety of meaningful and real ways that suit all learning styles.

Our Orderly Environment:

At The Patch we pride ourselves on our safe and orderly learning environment. Our students understand and practice the routines established by our staff to ensure a minimum of interruption to their learning and are aware of the importance of staying safe.

To ensure our students remain safe at all times whilst they are at school, we wish to remind parents and carers that children are not allowed in the staff car parks (lowest gravel car park and main car park) nor should they be walking through the visitor’s car park unless they are with their parents/carers. The car park is not ideal for socialising as children need close supervision at all times whilst in this area so please use other areas for catching up with friends where children can be safely supervised and there is no nearby traffic. Thank you for your co-operation and understanding.

Our wonderful holiday volunteers:

Thank you once again to our committed and generous volunteers who took care of our animals and vegetable gardens during the summer holidays (and throughout the year on weekends). Abby Morrison created an extensive and well supported roster and a healthy team of parents fed and watered our furry, scaly and feathered friends; other families assisted in taking the animals home and caring for them there. Abby shall soon be creating a new roster for the weekends and next holidays so if you would like to help (it’s easy and the kids love coming to the eco-centre and having the animals to themselves!) please let me know and I can organise a time to teach you the process.

Regards,

Michelle Rayner
Assistant Principal
New Active After School Care Activities 2014

HOURS OF OPERATION & COST
7.30am – 8.45am breakfast included. Only $14
8.20am – 8.45am NO breakfast. Only $7
3.30pm – 6pm Healthy afternoon tea provided. Only $22
Talk to our staff about claiming Child Care Benefit and the application procedure.

Try before you buy.
Give your kids the opportunity to try new sports and activities after school at The Patch OSHC. You have NO added expense and you don’t have to do a thing.

**NEW PROGRAMS- February-March**
- AFL 9s – Mondays for 4 weeks from the 10th February
- Volleyball – Mondays for 3 weeks from the 10th February
- Martial Arts – Tuesdays for 4 weeks from the 11th February
- Netball - Wednesdays for 3 weeks from the 12th March
- Awesome activities & Fun – Every day of the week

What’s stopping you?
- Casual spots are usually available. Go shopping; you don’t need to drag the kids along. 😊
- Your kids have the advantage of socialising with other kids of varied ages. They make strong friendships which benefits them in the playground at school and at home.
- To make a booking for OSHC during program hours or for more information phone Sheila 9752 0164 or 0419 515 494. If there is no answer keep trying, they are probably outside playing with the kids.

ALL CHILDREN WELCOME
Your School... Your Community

The Community Sub-Committee of the School Council has been meeting and discussing a range of issues affecting the school and the community – it has been a valuable part of the community connectedness of the School Council.

The main purpose of the Community Sub-Committee is to be a forum for discussing ideas and suggestions from parents and be a voice for community building in the school.

Our aim is to continue to build stronger links across teachers, students, parents the Early Learning Centre and the broader community.

Some of the projects that the Community Sub-Committee have been working on in consultation with teachers and school staff include:

- **Communications** - identifying ways the school communicates - working on providing some consistency to the way that grade newsletters are issued, came from these discussions. Work across the website, messages from the school and new initiatives on signage comes from these discussions. We've initiated the feedback mechanisms to hear from parents.
- **Caring for the Community** - looking at ways we can provide assistance to school community members who need support has also been part of discussions in the Sub-Committee.
- **Building Links** – we have been discussing ways to build links across the school and across the community, including with business.
- **Promoting The Patch School** – we are now actively discussing a range of ways to promote The Patch School and The Early Learning Centre.
- **Other projects** are on-going and include building stronger links and cross-promotional opportunities for the school and the Early Learning Centre, developing a marketing plan to ensure we can take every opportunity to promote the school and looking at how the school is branded. We are also developing plans around a community forum (to be held next year) and a whole of school parent survey to be issued before the end of this year.

To continue to consult and hear from parents, we encourage you to consider the following ways that you can engage...

1. **Provide un-solicited feedback or suggestions**
   
   You can provide your feedback by either email or note form...
   - By email: community@thepatchps.vic.edu.au
   - In a note and pop it in the Feedback Box in foyer at school

2. **Ensure you complete the parent survey when it is issued (before the end of the year)**

3. **Attend the next Community Sub-Committee meeting** and bring your ideas of what you think we could be doing.

A key part of our work is to listen and hear from you – so let us know what you think!

Thank you and I look forward to seeing you soon.

Matt Clear
