go!

FROM THE PRINCIPAL...

Thought for the week: 'Children will listen to you after they feel listened to' – Jane Nelson.

Both Michelle and I will be on long service leave next week and Jennie Simpson will be sitting capably in the chair

PARENT ISSUES:

I would like to reiterate once again, the importance of raising issues amongst children to the school so we can deal with them. On occasions, parents have liked to 'take matters into their own hands' and speak with other parents, or other children, about things that happen at school. Please note we do not recommend parents question/talk with/reprimand students, other than their own or without specific permission (from the other parent) to do so. If parents require information regarding an incident at school they should, in the first instance, speak with the relevant teacher and then, if needed, with the school leadership. It is much easier for us to investigate incidents and contact the people concerned. It is also less of an emotional encounter. Parents speaking to other parents or other children often inflames the situation.

Effective Communication Channels

- Student query/issue= Contact the classroom teacher
- School wide query/issue = Contact Deb or Michelle
- Financial - Administration query /issue = Contact Karen or Maddy

MAKING YOUR CHILD'S ONLINE EXPERIENCE SAFE

There has been lots of information in regards to online gaming, bullying and cyber safety lately, below is information that may be of assistance to your family. I have also attached an article from eSmart on FORTNITE.

There are many types of social media and the examples are just a few of the many:

- Messaging (kik, snapchat, whats app (linked to facebook), viber, sms, ask fm,
- Social networking : Instagram, musically, facebook, youtube, tumblr, twitter, live.ly,
- Games and gaming world: clash of clans, minecraft, fortnite, league of legends,
- Secret/hidden and dating apps: tinder, ky-calc, bumble

In setting up to make a safer environment for our children at home:

1. Create an acceptable use agreement for your families to facilitate conversation. Ensure that all children are involved in the process.
2. Set up safe search and security controls with a platform such as Family Zone www.familyzone.com/au/
3. Agree on where computers, laptops and mobile devices can be used in the home (such as in bedrooms, lounge rooms etc)
4. Lights out = wifi off
5. Agree on screentime use; decide on screen free times during the day and night. Have regular family activities that don't involve devices
6. Get involved, show an interest in what your child is doing online
7. Talk to your child's teacher and/or school
8. If you child reports an issue to you, don't threaten to take away their device, this may lead to them becoming more secretive
9. Learn how the various social network/game services work. Use websites such as the "Games, Apps and Social Networking" from the safety office
10. If cyber bullied, 1. Don't retaliate, 2. Collect evidence 3. Report 4. Change privacy settings 5. Block and 6. Tell a trusted adult.

I've mentioned in previous newsletters that a good resource is a website called common sense media which rates the apps that children can access.....

<https://www.common sense media.org/app-reviews#>

Continued...

What is available to our students can be quite scary and we need to be informed about what is actually out there, I feel a key rule is where the devices are and at what times children are on them.

Many of the sites require the children to be 13 and many parents give access to these sites earlier than recommended. Most of the issues we deal with are from sites that the children should not be on, the parents aren't aware of the times, many around midnight/1am and on sites the parents were not aware their children is on.

SOCIAL SKILLS FOR CHILDREN

School brings different types of learning, including social interactions and how to make friends. Parents can lay the foundations at home by teaching their kids these seven important social skills.

Children who are able to form friendships when they start school are happier at school and also learn better. More significantly, positive friendships have long-term implications for social and indirectly academic success.

Friendships skills are generally developmental, but they don't develop in isolation. Children acquire these skills when they play with their siblings and interact with children and adults outside their family. Today's children grow up with fewer siblings, fewer opportunities for unstructured play and less freedom to explore friendships than children of even ten years ago.

Parents can help kids develop important social competencies by teaching them sociable behaviors at home, providing opportunities for kids to play with each other in a variety of situations.

Parents can also model behaviours in how you interact with others, both in person but also increasingly online on sites such as Facebook. What the kids see is what they may adopt so always remember, little eyes and ears may be watching!

Here are seven important social skills to help children to develop:

1. Ask for what you want

Help children ask for what they want. It means they don't throw tantrums, whinge, and sulk or expect parents to guess what's on their minds. While we need to be patient with toddlers, we need also to give older children the chance and opportunity to ask for what they want. Sometimes we need to ignore shrugs and grunts and expect them to articulate their wishes. This is the basis of civil behaviour, as well as a basic human skill.

2. Good manners

Teach kids good manners, in particular the three 'power words'. These words are very persuasive because they have a way of breaking down barriers and people's defences. These three words are: your name; please; thanks. These terms are the basis of good manners and when used, will increase the likelihood of getting what you want.

3. Sharing

Sharing is a basic social skill. Developmentally, very young children like to keep their possessions themselves. As they get older and move into Pre School and beyond the notion of sharing becomes a pre-requisite for playing with and forming relationships with others. Other children like to play and be with those who share their time, possessions and space with them. Sharing is the start of empathy as it shows sensitivity to other people's feelings.

Continued...

4. Holding a conversation

Holding conversations with others is a lifetime friendship skill. Conversations require self-disclosure, which can be challenging for some children. Good conversationalists give of themselves, but also take an interest in the person they are talking to. Many children forget that good conversations are two-way events, and tend to focus solely on themselves.

Children within conversations need to learn to ask good or interesting questions; to take turns when speaking and to show you are listening by making eye contact and not interrupting.

5. Winning and losing well

Kids need to learn to win without rubbing others noses in it, and lose gracefully without throwing tantrums and making excuses. Wanting to win is natural, but they need to do so in a way that they maintain a relationship with other players so they will play again. Losing may make kids feel bad, but kids need to control their negative feelings so that others will play with them again.

6. Approaching and joining a group

The ability to approach strangers in social situations is a valuable skill that opens up many doors, both friendship-wise and business-wise. These skills can be learned and practised during childhood, so that it becomes second nature in adulthood.

7. Handling fights and disagreements

Disagreements happen in families and among friends. The key is to make sure disagreements don't lead to the breakdown of friendships. It's important to get across to kids that having an argument or disagreement doesn't mean that a friendship is over. Strong friendships, like strong family relationships, withstand disagreements. In fact, they only serve to strengthen friendships.

The results of a number of studies indicate that children can be taught friendships skills. The strategies are simple and revolve around teaching children a range of friendly behaviours such as: talking with others while playing, showing an interest in others, smiling, offering help and encouragement when needed, a willingness to share and learning how to enter a game or social situation.

As parents we often focus on the development of children's academic skills and quite easily neglect the development of important social skills, which contribute so much to children's happiness and wellbeing.

Have a great weekend and holiday break, see you next term.

Our Upcoming Festival

Our **whole school fundraiser** is getting closer and excitement is beginning to build up. Preparations are well underway to ensure the day (and evening) is a resounding success and is the beginning of a wonderful biennial school tradition.

Performers:

There will be **three musical stages** operating throughout the event and **all students are scheduled to perform** a musical piece on the “Garden Stage” during the day:

- Preps at 2pm
- Year 1 at 2.15pm
- Junior Ukelele players at 2.30pm
- Year 2 at 2.45pm
- Year 3/4 at 3pm
- Year 5 at 4pm
- Year 6 at 4.30pm
- Possible performance from choir workshop at 5pm
- Year 3-6 Showcase at 6pm (solo performers – ukulele, piano, singing, junior and senior choir, etc)

The “Main Stage” will be situated on the school oval towards the back boundary. Bands performing on this stage include **Banbury Cross, Spiritus, Pen Swales, The Bean Project, The Skylarks, and Lost Canoe.**

There will also be a stage on the basketball courts at the eastern (5/6 classroom) corner and performers scheduled to play here include **Sadie Mustoe, Blackwood Trio, Kalulu, Eddie Cole, Jam Tarts Trio, and the Mater Christi Rock Band.**

Programs will be for sale on the day for \$2 to ensure you don't miss your favourite acts and all stages have managers to ensure the performances run seamlessly.

Food:

All food sold at the festival will be prepared, cooked and sold by volunteer parents and will provide much of the fundraising profits for our school. Food will be available on the basketball courts from 2 – 8pm and there will be ample seating to enjoy your purchases. Stalls include:

- **Pulled pork**, crackling and coleslaw sliders
- **Soft shell tacos**
- **Vegan hot dogs**
- **Cheese toasties and chicken nuggets**
- **Sausages in bread, hamburgers**
- **Cake stall** (donated cakes and slices from parents; sold by year 5/6 students) – until sold out
- **Devonshire Tea** – this will be served in our Library Café from 2-5pm
- **Wood-Fired Pizza** will also be for sale at the pizza oven

There will also be a **Beer and Wine Tent** and a beautiful **Chai Tent** on the oval as well as the famous “**Oscar's Coffee Cart**” to lend a vintage look to the festival.

Customers will have the option of paying for items by eftpos or with cash.

Market Stalls and Class Activities:

There will be a variety of market stalls selling a range of products including homemade, upcycled, and handcrafted items on the oval. There will also be stalls run by each class/year level including:

- Preps: Mini Terrariums and Photo Booth (activities, gold coin)
- Year 1: Felt craft (items for sale made by year 1)
- Year 2: Painted rocks (activity, gold coin)
- Year 3/4: Wurundjeri Trail Tours; Sponge Pool (throw a wet sponge at your favourite teacher!); Opportunity shop; Homemade musical instruments (activities; gold coin)
- Year 5/6: Cake Stall (fixed prices); Sandwich Wraps (proceeds to Year 6 Graduation); Class Activity Stalls (TBC)

Workshops:

We are pleased to be able to offer a range of workshops during the festival and these will cost \$5 to participate. Why don't you consider learning how to play the ukulele, join the festival choir, participate in a drama workshop (kids and adults sessions), or be creative in an art activity with practicing artists. There will be a full list of workshops and times available next term and you will be able to sign up in advance to secure your place.

Volunteer Helpers:

Our Festival Committee have been working tirelessly to organise and prepare for this event and we are now ready to create teams of volunteers to help throughout the day. It is hoped that families will be able to donate an hour at some stage through the day/evening to help sell, cook, or prepare food or drinks, or to supervise parking, first aid, put up marquees or decorations, or count money. Please consider helping if you are approached by a member of the committee.

A spreadsheet of volunteers and tasks will be placed on display next term and any gaps will be identified.

What we need:

As this is our major school fundraiser with funds going towards literacy resources, corrective reading programs and other school equipment, we wish to maximise our profits as much as possible.

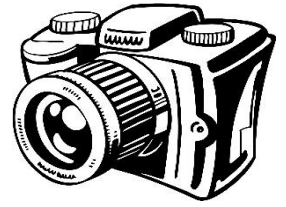

We are looking for donations of:

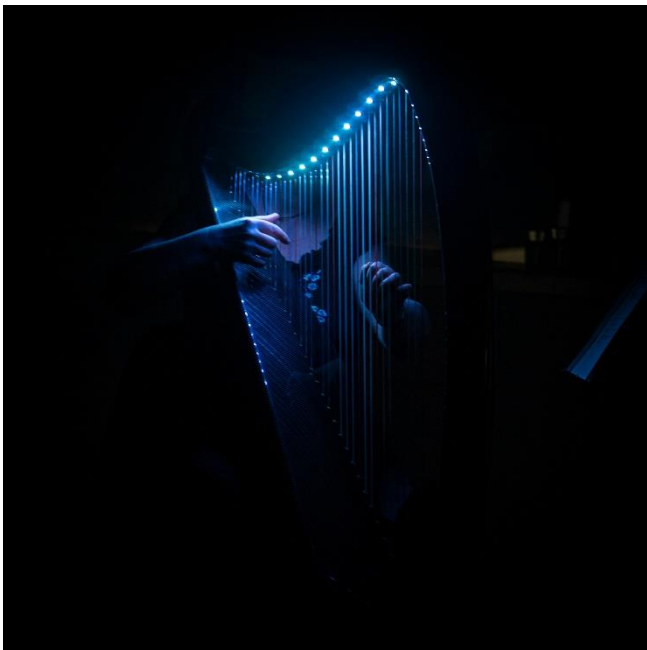

- Ingredients for our food stalls (a full list will be available next term)
- Scones for our library café (recipe provided)
- Jam and cream for our scones
- Beer and wine for our wine tent
- Marquees for stalls (would love to borrow as many as possible)
- Market Umbrellas
- Outdoor lighting (festoon/string lights and LED or solar lights)
- Bunting and decorations
- Items for our silent auction

Please speak to any member of our festival committee if you can help in any way or email the school directly. Festival committee: Becks Wapshott, Sarah Tebbutt, Jess Dunn, Jennie Simpson, Snowy, CJ, Eliza Phillips, Michelle Rayner, and Dannielle DeValence

We are looking forward to a great festival, made better by a huge input from our school community. Thank you in advance from the Festival Committee, every little bit helps!

Terracycle Reminder!

We are still collecting oral care and beauty products for Terracycle. TerraCycle is a company “Eliminating the Idea of Waste®” by recycling the non-recyclable in order to divert millions of items of waste from landfills and incinerators each month. As well as helping reduce landfill, we as a school receive 0.02c per item collected, so the more items collected the better. So tell your friends, family and neighbours!

At the entrance to the main building/office of the school there are two large tubs for collection. We accept the following items:

Colgate Oral care recycling program acceptable items: All toothpaste tubes and caps, toothbrushes, toothbrush and toothpaste tube outer packaging, floss containers. Please note: Electronic toothbrushes and electronic toothbrush parts are not recyclable through this program.

Beauty products recycling program acceptable items: Cosmetics packaging (e.g. used lipstick and lip gloss, mascara, eye shadow, bronzer, foundation, eyeliner, eye shadow, lip liner, and concealer packaging), Hair care packaging (e.g. used shampoo and conditioner bottles and caps, hair gel tubes and caps, hair spray and hair treatment packaging), Skin care packaging (e.g. lip balm, face moisturiser, face and body wash soap dispensers and tubes, body and hand lotion dispensers and tubes and shaving foam packaging).

Please divert the items from your landfill bin and instead bring them to school and place them in the appropriate tub. Thank you!

Stylin' Swap Fundraiser

Come along for fashion, a good yarn, champagne & fun!

Saturday 15th September

7pm - 10pm

Number Sixty Eight

68 Main Rd, Monbulk

MINI RANGES

The Mini Ranges Basketball Program is specifically designed for primary school aged children for both boys and girls from Prep to Grade 6.

Developed to help children of all abilities to learn the fundamental skills of basketball in a fun and supportive atmosphere, this program will prepare children for junior domestic competition with Ranges Basketball Club. Ranges domestic Basketball Club have teams from U8 - U23 so if you are ages 6-22 we have a team for you!

To book a place for Mini Ranges or register for the upcoming Summer 2019 season commencing on 10 November 2018 please contact:

Carey on 0417 398 834 or ct3103@bigpond.com or Hayley Lourey 0418 990 026
Please note that parents are expected to stay and all participants are expected to behave in an orderly manner.

DATES: All Wednesday's:
15, 22, 29 August
5, 12, 19 September
(school holidays 20/9/18-8/10/2018 - NO CLINICS)
3, 10, 17 October

TIME: 4.30pm - 5.30pm
WHERE: Monbulk College Sports Stadium
HOW MUCH: FREE
WHAT TO BRING: Runners and a basketball (not compulsory)

The Importance of Attendance

Please remember that all students are expected to be in their classroom, ready to begin lessons by 8.50am.

We understand that now and again things don't go to plan, but all families should aim for their children to be at school by this time.

Parents should also remember that late arrivals or early leavers must be signed in or out by their parent or guardian using the system on the iPad at the office. The appropriate orange or red tag must also be given to the classroom teacher when collecting your child.

The Department of Education & Training has very specific expectations about school attendance and we ask that all parents be mindful of the importance of prompt and regular attendance at school.

Community Notices

Music Tuition with Chris Walker

Lessons in piano, guitar and bass guitar during school hours and after.

Phone 0407 049 012 or email chrisw7@ymail.com

Violin & Viola Lessons

Lessons are available at school on Fridays with experienced strings teacher Michaela Tory.

For further information call: 0423 434 598 or email: michaelatory@tpg.com.au.

Private Ukulele Lessons

The Patch School students now have the opportunity to take private ukulele lessons. The Patch School parent, Jess Dunn, has had 6 years' experience teaching ukulele to kids and adults and loves teaching at The Patch. The cost is \$18 for a 20-minute individual lesson or \$12 for a 20 minute group lesson (subject to suitable pairing). For more information, please call or email.
