

Grade 3/4 Oasis Camp, Mt Evelyn.

Dear Parents,

Our excursion to Oasis Camp will be from **Wednesday 10th August to Friday 12th August** (3 days, 2 nights). We realize that Oasis Camp is the first camp that many of our Grade 3/4 students will have been on. Rest assured that your children will be well looked after and that we will do our utmost to nurture them and ensure they have a positive experience at camp. Students will have the chance to participate in the many activities the Oasis camp offers from rock climbing, candle making, flying fox, ropes course, archery – just to name a few! Students will be invited to take part in several initiative games which are aimed to challenge students and will require teamwork, communication, and encouragement in order to complete the activity successfully. Students will be in small groups and be supervised by adults at all times. Students will stay 2 nights at the Oasis Camp (on site) and will participate in 2 full days of activities.
